

Year Group reps

Y1 Amber – Indy Coral – Elouise Apricot – Alan (absent)	Y2 Ochre –Isabella and Jonathon Cinnnamon – Abu Saffron – Rafique	Y3 Mint –Sarah Jade –Amaya and Joben Emerald - Zainab
Y4 Cobalt – Anayah (absent) Azure - Giulia Turquoise – Elias	Y5 Lavender – Luke (absent) Indigo – Loren (absent) Violet – Emmanuel (absent)	Y6 Copper – Pawin Brass – Shakiyra, Harrison (deputy) absent Bronze – Nuru, Sian (deputy) absent

Fundraising

- I'd like to help animals around the world. We've been learning about animals in school and I've seen Koalas in the bushfires in Australia Y1
- I think we should raise money for the school. I'd like more plants in the playground. Perhaps we could have a growing competition.
- For local hospitals or charities. Or donating toys to the hospital waiting room.

Events

- TBC

Environmental issues arising:

- no plastic day or a bring in some plastic and have a junk modelling/ art day.
- Air pollution and walking to school.
- How is the rubbish recycled? What happens to it? Can we go and visit where the rubbish goes? How can we make less rubbish?
- Littering in the local area.
- Do we need to laminate everything? Because then it is plastic. What if we print on card?
- Can we learn about climate change in our lessons?
- We need to turn the lights off when we leave the classrooms
- In the toilets we need to turn the taps off, use less tissue and flush.

Health

- Encouraging healthy eating – packed lunches and snacks.
- Link to mental health and healthy eating and exercise.

School dinners

- Not enough peas
