Dear parents/carers

## Coronavirus (COVID-19)

In light of recent health concerns regarding the spread of Coronavirus, may I please remind you that the best way to stop the spread of any illness is by:

- washing your hands often, with soap and water or hand sanitiser. This is particularly important after taking public transport.
- covering your cough or sneeze with a tissue, then throwing the tissue in a bin.
- people who feel unwell should stay at home
- pupils should wash their hands frequently whilst at school, especially before eating anything
- avoid touching your eyes, nose and mouth with unwashed hands

If you have recently returned from or intend to travel to South East Asia, please inform the school.

Likewise, in light of recent developments, if you have recently returned from or intend to travel to Italy (particularly northern Italy), please also inform the school.

Yours sincerely,

**Ian Hyde**  
Headteacher
