## Homework

**Reading:** As previously stated, reading with your child and discussing what has been read each day is essential to helping them make progress in all areas of the curriculum. The expectation is that your child every day and that they record this in their Reading Record Book. This should happen a minimum of 4 times a week. We have been asking the children to remember their Reading Record on their reading day.

**Maths, SPaG and Spelling:** As before, Maths and SPaG homework is handed out each Friday. These need to be returned completed by the Wednesday of the following week. Spellings will be set on Mondays and tested each Friday. Please support your child by discussing their spellings, ensuring they understand what each word means and testing them daily. In their Spelling Homework Book, your child is encouraged to use the Look, Cover, Write and Check strategy, and to form sentences using the word.

## Other information:

This term between Christmas and Easter is a crucial time for Year 6 and getting them ready for SATs. We will be working hard to ensure each child is ready, prepared and most importantly confident about these tests in May. One way to ensure they have the best chance possible to achieve their potential is to be in school every day.

Please ensure your child is at school at 8:50am promptly, as they are missing out on their learning if not. **The register will be taken at 8.55am.**

Please encourage your child to wear full school uniform. As the weather becomes colder, they must have a warm coat and that all **hats, scarves and gloves are named**. It is important that your child does not wear jewellery (unless it is for religious reasons) apart from stud earrings.

Thank you, and as always if you have any questions please do not hesitate to ask.
