Dear Parent/Carer of Year 5 pupil,

RE: Circus Skills workshop for year 5 pupils – 2nd March 2020

During our 'All the Fun of the Fair Week' (Nethercott Week - 28th February – 2nd March) year 5 pupils staying at school will be running a maths fair for children from year 1 to year 6. It should be a fun week of maths activities and games that will benefit the wider school.

To celebrate the children's hard work with running the fair and as a special treat we have arranged for the year 5 children to enjoy a circus skills workshop. The workshops will take place on Friday afternoon with the children split into two groups. Each child will have the opportunity to try new skills like juggling and plate spinning and should have lots of fun learning from the expert!

We are asking parents to pay £5 towards the costs of the two sessions and we request that the payments are made through SIMS Pay / TRIPS. Please could you make sure that the payment is made by 2nd March 2020.

Thank you,

Year 5 team
