

ONLINE SAFETY

Keeping our kids safe online

Confused by computers and online safety?

Baffled by parental controls?

Not sure what your kids are accessing online?

Come along to our friendly coffee morning to share your concerns and support the school in educating parents/carers and pupils about online safety. You will also receive a pack of useful resources to take home.

Friday 14th February

9.15am

Dining hall

The online safety talk will be followed by a Friends of Kelvin Grove parents meeting - do come and join us and have your say! Everyone invited!
