Dear parents/carers of Year 4 pupil

Wow! We're half way through the year! There are a busy few weeks ahead of us. Below we have outlined what we will be covering in class.

Curriculum: 'From Source to Sea'

English	Maths	Science	Geography	R.E.	Computing
Writing narrative based on a short film. Focus on using rich vocabulary, sentence structure and variation and cohesion (using pronouns, adverbs, conjunctions and prepositions).	Formal methods of multiplication 2-digit x 1 digit and 3-digit x 1-digit. Division using multiplication knowledge and understanding remainders. We will also continue work on timestable fluency.	Changing state of materials, with a particular focus on evaporation	We will be mapping rivers in the World, explaining the process of the river system and learning about the impact that human and environmental changes are having.	Christianity, with special focus on the places of worship, the Bible and prayer	E-safety How to use Excel
					Design Technology Developing our skills in the designing and making process

P.E. Lessons - please note the dates when P.E. will be taking place for each class:

Azure Class will continue to swim every Monday afternoon. **The last lesson will be on Monday 30th March 2020.** Also, they will have outdoor P.E. as part of PPA on Tuesday 25th February, 10th March and 24th March.

Cobalt and Turquoise Class will have P.E. every Tuesday, alternating between net & ball games and gymnastics/dance.

Home Learning

Reading: Regular reading helps your child to make progress in other areas of the curriculum so we are keen for children to continue to read at home. The expectation is that your child reads out-loud to you or reads independently and discusses their book with you at least 4 times a week. Then the child or adult can make a comment in the reading record. We ask that parents/carers sign or initial the reading record occasionally too.

Arithmetic and Spelling: Arithmetic homework and spellings are handed out each Monday and both need to be returned (completed) by the Thursday of that week. Spellings will be tested each Friday. In their Spelling Homework Book, your child is encouraged to use the Look, Cover, Write and Check strategy, and to form sentences using each word. The yellow spelling book is not marked by the teacher but we log scores from the spelling test.

Home Learning Project: We really encourage you to get involved in the completion of these tasks.

Other information:

Thank you for your support with the children entering the school building by themselves in the morning. Please ensure your child is at school at 8:50am promptly, as reading activities begin immediately after registration.

We would like to remind parents/carers of the school's expectations regarding uniform. Every child should wear full school uniform and have a coat appropriate for the weather. Rings and necklaces are not allowed to be worn at school, only small stud earrings. We cannot take responsibility for lost or damaged items.

Thank you, and as always if you have any questions please do not hesitate to ask.

Mrs Cooper, Miss Crooks and Miss Nandhra

Headteacher: Ian Hyde
Deputy Headteachers: Tara Magee and Kris Clark
