Dear Parents and Carers,

## Re: Free School Meal Vouchers

I write regarding the way in which you will receive your free school meal vouchers from Monday 27<sup>th</sup> April.

The government has launched a system using 'Edenred' to send free school meal vouchers to parents. The good news is that you will be able to choose from a number of different supermarkets. The not so good news is that it could take you longer than it does currently to access your vouchers. We wanted to carry on with our current system but have been told that we must use the government system.

Every Monday you will receive an email from Edenred for each child that is entitled to free school meals. The email will contain a 16 digit code that you will need to redeem online. The codes will be valid for one month. Below is a link that you will need to access when you receive your code, there are FAQs here too that you might find helpful:

***NB: try to redeem your voucher early in the morning or late at night (it will be quicker)***

If you need any further help with the above, please contact the school office.

I hope you are all staying safe and keeping well.

Yours sincerely
