

The Big Kelvin Grove Community Thank You

Dear Parents/Carers,

We hope that you and your families are all keeping well and safe.

We have got together to organise a thank you message to all the amazing staff at Kelvin Grove School. Since lockdown, staff have continued to work tirelessly to provide provision for children attending school, as well as preparing a range of different resources to support parents with home learning.

We would like to show our appreciation and support to the Kelvin Grove team by creating a video from the children. You can help us by sending a photo or video of something your child has been doing during lockdown. It could be a message from your child, a drawing, poem, models made, baking, games they have been playing or even fun they have had outside. Where possible, please include your child in the picture, next to or holding the item they have created. An ex Kelvin Grove student is going to collate the photos and videos into a thank you montage!

If you would like to take part in the “Big Kelvin Grove Community Thank You” please email your photos or videos to the following email address: **Thankskelvingrove@gmail.com** by **Monday 25th May**. Please also let us know what year your child/children are in and please ensure video clips are a maximum of 20 seconds.

Please note that the final video will be uploaded on the school website and social media pages, so you should only participate if you are happy for this to happen.

Once again we wish you and your families well and we thank you for your continued support of the school in these difficult times.

Yours sincerely

Shakera Rahman (Parent Governor)

Claire Ackford (Parent Governor)

Alexandra Bourdelon (Associate Governor)
