Dear Parents and Carers of Year 1 and Year 6 Children,

We have had a really successful two weeks for those children who have returned to school in year groups 1 and 6. We now know the numbers this will increase by and have made plans to take those additional children into the existing schedule in order to keep everything safe and only make minor changes.

To ensure that teachers are able to plan both the learning for children in school, and maintain the essential home learning packs for children who have not returned, children in Years 1 and 6 Bubbles will go home on Friday afternoon, leaving between 12:30 and 1:00pm. This will give their teachers time to plan for the following week and prepare learning packs for children who are still at home. Other Bubble Groups in Nursery, Reception, and Years 2, 3, 4 and 5 are not affected.

The only exception to this will be children in Years 1 and 6 whose parents have already communicated that they are critical workers. They will be given afternoon activities until their usual collection time.

I know you understand the school's priority of keeping this safe for everyone. This includes the mental health of children and staff. Thank you for your understanding and support with this.

Do not hesitate to contact me if you have any questions. If you are a critical worker with a child attending in Year 1 and Year 6 and need your child to be in school on Friday afternoon, please ring the office or speak to Mr Hyde, Mr Clark or Ms Magee.

Yours sincerely

Ian Hyde
