

It's been a long day without you, my friend.  
And I'll tell you all about it when I see you again.  
We've come a long way from where we began.  
Oh, I'll tell you all about it when I see you again, when I see you again.

Whoah, who knew, all the planes we flew,  
Good things we've been through,  
That I'll be standing right here talking to you 'bout another path?  
I know we loved to hit the road and laugh,  
But something told me that it wouldn't last.  
Had to switch up, look at things diff'rent, see the bigger picture.  
Those were the days, hard work forever pays.  
Now I see you in a better place.

Oh, how can we not talk about fam'ly when fam'ly's all that we got?  
Ev'rything I went through, you were standing there by my side.  
And now you gon' be with me for the last ride.

It's been a long day without you, my friend.  
And I'll tell you all about it when I see you again.  
We've come a long way from where we began.  
Oh, I'll tell you all about it when I see you again, when I see you again.

*Oh. Oh. Ooh.*

First, you both go out your way and the vibe is feeling strong.  
And what's small turn to a friendship, a friendship turn to a bond,  
And that bond'll never be broken and love'll never get lost.  
And when brotherhood come first, then the line will never be crossed;  
Established it on our own when that line had to be drawn.  
And that line is what we reach, so remember me when I'm gone.

How can we not talk about fam'ly when fam'ly's all that we got?  
Ev'rything I went through, you were standing there by my side.  
And now you gon' be with me for the last ride.

So let the light guide your way, yeah.  
Hold ev'ry mem'ry as you go.  
And ev'ry road you take will always lead you home, home.

It's been a long day without you, my friend.  
And I'll tell you all about it when I see you again.  
We've come a long way from where we began.  
Oh, I'll tell you all about it when I see you again, when I see you again.

*Oh. Oh. Ooh.*  
*(When I see you again.)*  
*Oh. Oh. Ooh.*  
*(When I see you again.)*
