Dear Year 6 Parents and Carers,

Thank you for all of your children's contributions to the yearbook so far. We are going to have a few pages about lockdown and we welcome contributions and ideas from children both at home and at school.

Do you have any photos of the following?

- Photos of Y6 children at home doing their home learning packs.
- Photos of your family at home during lockdown.
- Photos of any zoom meet ups Y6 children have had with KG kids.
- Photos of Y6 children clapping for carers.
- Photos of rainbows in your windows.
- Photos of Y6 children outside enjoying their daily exercise.

If you are happy for any photos to be featured in the yearbook, please email them to the Year 6 email address:

subject: lockdown

Thank you again for your help and support in creating the yearbook this year.

Kind regards,

Year 6 team.
