Click on the following link to follow his active session. https://vimeo.com/501688368/e5bae67003</p> <p>SCIENCE: Continue from yesterday's science lesson we will be looking at how shadows are formed and what objects create better shadows. Watch these clips to get some understanding.</p> <p>Clip 1: https://www.youtube.com/watch?v=JJmVXARWLIY</p> <p>Clip 2: https://www.youtube.com/watch?v=NbWntyKxNPE</p> <p>Go through the teaching slides to understand what an Opaque, Translucent and Transparent Object is and how they create shadows. Complete the activity.</p>
Wednesday 27 th January	<p>Read the text 'Recipe for a healthy fruit salad'</p> <p>Answer the comprehension activity sheet.</p> <p>You could try creating a healthy fruit salad of your own.</p>	<p>Wanted Poster The President of the USA is not happy with the launch of the rocket and has placed an arrest order for Walter Beckett.</p> <p>Design and Write a WANTED poster for the disgraced spy.</p>	<p>For Maths today we will be looking at arrays and how they help with our understanding of multiplication.</p> <p>Have a paper and pencil ready when watching the teaching clip below. https://vimeo.com/490417143</p> <p>Once you have completed watching the teaching clip complete the worksheet attached.</p>	<p>Complete the handwriting and spelling sheets</p>	<p>MUSIC: Make sure to join in on Seesaw.</p> <p>PHSCE: Continuing with our theme of 'What makes me special' We want you to really think about yourself and when filling in the questions on each star really think hard about yourself, what you do things and answer the questions. You can colour and decorate your stars.</p>

Kelvin Grove Year 3 Home Learning – Week commencing Monday 25th January 2021

<p>Thursday 28th January</p>	<p>Read and answer the questions about 'Tadpoles'. You could then try and research about frogs and tadpoles and draw the life cycle of a frog.</p>	<p>To Understand the features of a Persuasive letter. Children to go through the teaching slides. Then read a persuasive letter and label the features. Once you have done that you will be pretending to be Walter Beckett and plan your persuasive letter. What words would you use for your sentence starters? What would be your points for persuading him? You will use the letter template to jot down your thoughts and ideas.</p>	<p>Today we will refresh our memory of doubles and how to make doubles of a number. Have a paper and pencil ready when watching the teaching clip below. https://vimeo.com/490420115 Once you have completed watching the teaching clip complete the worksheet attached.</p>	<p>Complete the handwriting and spelling sheets</p>	<p>MUSIC ASSEMBLY ART/ DT: The children will be using different media to create sculptures. They will be looking at what a sculpture is and then thinking about what materials they will be using to create their sculptures of characters from Pigeon Impossible Watch the following clip to help you understand what a sculpture is. https://www.youtube.com/watch?v=cTslqS_H7Jg Once you have watched it go through the teaching clips and then use the template given to design and label your characters from Pigeon Impossible as you will be re-enacting the story on Friday.</p>
<p>Friday 29th January</p>	<p>Read the extract about the 'Greedy dog' Answer the comprehension questions.</p>	<p>To write a persuasive letter. Go through yesterday's teaching slides. Listen to the instructions on Seesaw or follow the example of my letter to write your own letter to The President of the USA asking him not to fire you (Walter Beckett)</p>	<p>Continuing from yesterdays doubles, we will be looking at the 2 times table. Have a paper and pencil ready when watching the teaching clip below. https://vimeo.com/490420447 Once you have completed watching the teaching clip complete the worksheet attached. Have a go at writing out the 2 times table. How quickly can you do it? Get someone to test you on your two times table.</p>	<p>Complete the handwriting and spelling sheets.</p>	<p>SCIENCE/ DT: Today you will use the designing sheet you labelled the other day to make your 'Pigeon Impossible' character sculptures. Once you have made your props and sculptures you could re-enact the story. Please remember to make a video of your story and upload it onto Seesaw. You could even link it into Science learning from this week and create a 'Shadow play'. You could use a home made screen and then record the shadow as your video and upload it onto Seesaw. Please note that today's activity does not need to be completed on this day – you could use the weekend to be creative and then upload your final videos on Monday. Have fun.</p>
