

Kelvin Grove Primary School

Year 1 Weekly Newsletter

Summer 2 Week 3

25th June 2021

English

In English, the children have created their posters to persuade people to take care of whales and their environment.

In their posters they have included facts about whales, a bossy sentence and a question. They shared their posters with children in another class to spread the message. The children are very passionate about trying to use less plastic so please spend some time talking about how they can do this at home.

Phonics

Please make sure your child is familiar with all phase 3 and 5 sounds.

Username: kelvin

Password: grove

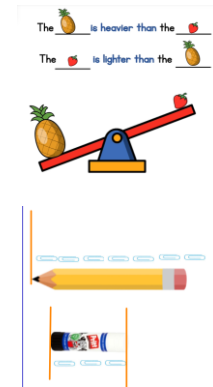

Please practice these tricky words at home:

eyes and friends

Maths

This week, the children have been learning about measurement.

They have focused on comparing and measuring length, height and weight using standard and non-standard units of measurements.

Topic

This week, the children have learnt about colour mixing. They named and used primary colours to make other colours.

Notice Board/Important Reminders

• PE

Thursday 1st July 2021

- Please remember to bring your child's books and reading record into school every Thursday so they can be changed. It is very important to attempt to read with your child for 10 minutes every day.

Memory of the Week: children measuring in maths

What you could do at home:

<i>Friday <u>25th</u> <u>June</u></i>	<i>Can I use key vocabulary to describe a seaside location?</i>	<i>Photos from holidays or from magazines / internet</i>	<i>You could look at images of beaches and tell a member of the family the names of different areas -beach / sand/ shingle / cliffs/ pier.</i>
