

Kelvin Grove Primary School

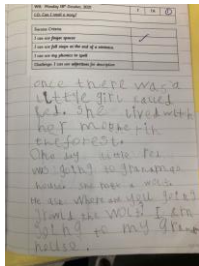

Year 1 Weekly Newsletter

Autumn 1 Week 7

English

Text: Little Red by Bethan Woolvin

This week has been an exciting week for the children as they have been writing the story of 'Little Red' independently or with some support. They have used capital letters and full stops to demarcate their sentences while making sure they have used finger spaces when writing words. These are essential skills that the children require to be successful writers in Year 1.

Phonics

Please continue to practise phase 2 and 3 sounds. The sounds we have focused on this week are:

air, ure, er

Username: kelvin

Password: grove

Tricky words are:

my, her, when, what

Maths

In Maths, the children have been continuing with their exploring and understanding of 'part and whole'. This week we have delved further into the method by looking at partitioning number into more than two parts. And how these can be represented through tens frames, picture representations and concrete objects while at all times using the 'part whole model' to record numerically.

PE

Thursday 04th November 2021

FOREST SCHOOL

Group A

(Will run as normal from the first week back)

Please remember to bring your child's books and reading record into school every Thursday so they can be changed. It is very important to attempt to read with your child for 10 minutes every day.

Topic

This week, we have been weeding and preparing the soil and planting bulbs in anticipation for our topic on 'plants' in the Spring. We have also been keeping a weather log and putting our sketching skills to the test by trialing out the techniques that Oliver Jeffers uses in his story books to illustrate.
