Dear parents/carers

RE: FLU LINK FOR KELVIN GROVE

It is time for your child to receive their annual flu vaccination. We are now inviting parents/guardians to register your consent for the flu vaccination. We have developed a secure on-line link that you can use to register consent for your child to be vaccinated at school. The process is quick and easy to use.

The school nurse team will be visiting Kelvin Grove on **Tuesday 7th December** to administer the flu vaccine.

Please register and then login to respond with a **Yes or No** by clicking on this link to access the eConsent: <http://glink.uk/li8/100690>

Here's a video on how the eConsent portal works <https://vimeo.com/showcase/7321177>

Flu can be an unpleasant illness and can cause serious complications. Vaccinating your child will help to protect them from getting the flu, and prevent it spreading among more vulnerable family and friends. With COVID-19 in circulation it is more important than ever to reduce the number of people becoming ill with flu this winter to help protect them and the NHS.

The vaccination is free and in most cases is a quick and simple spray up the nose offered to children from Reception up to Year 11. Even if your child had it last year, the type of flu can vary each winter, so it is recommended to have the flu vaccine again this year or they won't be protected. The healthcare team and school will follow guidelines to ensure your child is safe from COVID-19 while getting the vaccine.

Please contact the Lewisham School Health Immunisation Team at the Downham Health and Leisure Centre on 0203 049 1897 or lq.shsimmunisation@nhs.net if you require any further assistance.

Yours sincerely,

Petal Smith
School Health Immunisation Team Manager
