Reception Weekly Newsletter

Friday 22nd April 2022

Literacy

We launched our new topic 'Under the Sea' and we are going to become marine biologists by the end of term! We started to read Yuval Zommer's book 'The big book of Blue' and focused on jellyfish. We read and learnt some interesting facts about these creatures!

Phonics

We are revising phase 3 sounds by reading and writing captions and sentences. We are becoming more confident with capital letters and lower-case letters.

Maths

We are using our counting skills to count on and find a number. We used 'first, then and now' stories to help us tell an addition story. E.g. 'first there were 5 fish, then 2 came along and now there are 7 fish.'

Notice Board and Reminders:

Please read and note these dates for this term. There are some changes due to the bank holidays. If you are unsure, if your child is group A or B - please ask staff. Please always have your wellies on these days !
