Walk to school week

Next week is walk to school week. Children have been given a hands up survey to complete with their classes asking how they usually come to school and how they would like to come to school. Please complete and bring along to the next meeting.

Looking at history of the school

We looked at some photographs from over 120 years ago which show the site of our school and discuss how the area had changed and what has stayed the same.

Also spotted as part of renovation work was this delivery information on the back of a cupboard.
