Dear Parents and Carers,

**Health Needs Assessment (HNA) Link for – Kelvin Grove Primary**

The Lewisham & Greenwich NHS Trust School Health Service is committed to the health and improvement of children by promoting positive attitude towards good health and ensuring they have access to a dedicated and responsive service.

We have a secure on-line link that you can use to complete the health need assessment (HNA form) for your reception child. The questionnaire is an opportunity to have your child's health and development reviewed at school entry. We are now inviting parents/guardians to complete this questionnaire via this quick and easy process:

Please click on this link to access the HNA form: <http://qlink.uk/Lth155/100690>

Here's a video on how the HNA portal works: <https://vimeo.com/442663214>

Once you have completed the questionnaire you will be able to view and download your responses and identified helpful health messages and links to further information and guidance. A nurse will review the questionnaire and may contact you to offer health advice, information and support.

The School Health Service ensures that personal information relating to your child is kept securely and confidentially and will not be shared without your permission, except in exceptional circumstances.

Please contact the Lewisham School Health Screening Team at Waldron Health Centre on 0203 049 3415 or [lq.shsscreening@nhs.net](mailto:lq.shsscreening@nhs.net) if you require any further assistance.
