In general, children want more plants and more greenery and natural space.

The ground is uneven and there are areas that puddle and then just get covered with a tyre. Could it be more even?

The drains from the waterfountains don't drain properly and end up getting blocked with leaves and things.

The water fountains don't work

Toilets

- Suggestion of a chart to show when they have been cleaned and checked to be clean
- Could they be decorated?
- Could positive messages be put up?
