Friday 23rd June 2023

English learning this week

We have been reading 'If I had a dinosaur' this week. The children have been exploring what they would do if they had a pet dinosaur and where they would take them. We have been focusing on writing full sentence and remembering to use finger spaces.

Maths learning this week

Maths has been great fun this week as we have focused on the skill of sorting. The children have been able to use their own ideas to sort objects. They have found creative and unique ways to sort the different items based on shape, size, texture and special features. The vocabulary and language used this week has been amazing.

Snapshots of our learning this week

Sports Day !

Thursday 13th July 2023

10.00 – 11.00

We will be holding reception sports morning in the main school playground. This is a chance to celebrate the children's sporting achievements and progress this year. It is due to be very hot. Please ensure your children has a sun hat, sun cream, water and appropriate clothing. We look forward to seeing you. Your child needs wear their PE KIT.

All parents welcome. We will be holding a parent's race, please come ready and wearing your trainers too!

Tapestry

Over the next few weeks, the focus of the children's learning will be transition into year 1. You may see a change in the frequency of Tapestry observations as our learning moves more towards their learning journals. Please feel free to keep uploading home learning photos and videos.

Reading at home!

In reception we currently read with the children on **Wednesday, Thursday and Friday** with an adult in class. The same book will be sent home for you to read with your child on **Friday**. There are tips and instructions in the front and the back of the book to help you support your child with their reading.

If your child has been absent on one of their reading days they might need a little bit of extra support at home.

We will ask for them to be handed back in on the following **Wednesday with the book**, in the **plastic wallet**.

As we are coming to the end of the year please check at home for any lost books.

Summer Weather!

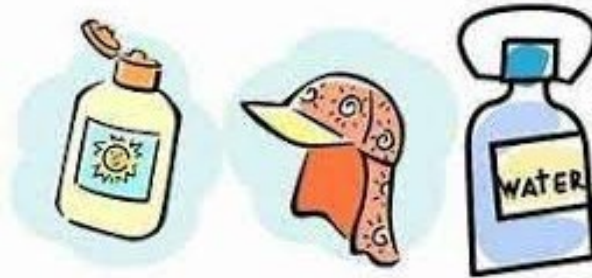

As the weather is getting warmer please ensure your child is ready for the hot school day.

A summer hat

Sun cream (we cannot apply this for the children, however they can bring it in labelled and apply it themselves during the day)

A bottle of water (with their name on)

A jumper that clearly has their name on. Summer is prime time for losing jumpers!

Forest school Summer 2

Clothing for forest school

During the warmer weather it is preferable that the children wear their own long-sleeved t-shirt on their forest school day. This means they will not have to wear a warm waterproof jacket and their arms are still protected.
