

Kelvin Grove Primary School

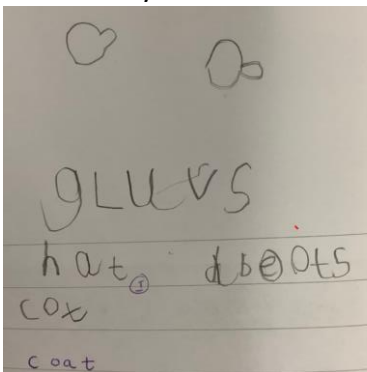

Reception Weekly Newsletter

Friday 8<sup>th</sup> December November 2023

### English learning this week

We have loved reading our new story and travelling to the Arctic. We have learnt so much about the colder climate and how it compares to the other countries we have explored. This week we wrote lists of clothes that Betty collected.

### Phonics learning this week

We have looked at words that have 's' on the end and how we can blend these words. Next week we will be revising all of our phase 2 sounds and completing the end of term phonic assessments.

### Reading

Next week will be our last week of reading sessions in class. We will not be sending books home in order to collect in and organise our books for the new year. Your child will take home a reading for pleasure book.

### Maths learning this week

This week we have used the part, part, whole method to understand number bonds to 5. We used songs, real life objects and number sentences to deepen our learning.

### Next Week

We will have a very busy week getting ready for the winter show. We will continue to read 'Betty and the Yeti' whilst writing lists. In maths, we will explore positional language such as, behind, in between and in front.

### Winter Show

Reception will be performing a short winter show on **Wednesday 13<sup>th</sup> December** at **(amended times) 09.10 am and 2.30 pm.**

**You are welcome to come to one or both shows.**

The children are welcome to wear festive jumpers or their school uniform.

### Dates to remember

**Winter Festival – 15<sup>th</sup> December**

**Class celebration – Monday 18<sup>th</sup> December**

**Christmas dinner day - 19<sup>th</sup> December**

Children can wear their Christmas jumper
