This is me going to school.

Something I saw on my walk.

How I keep safe near roads.

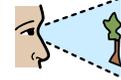

When I walk I feel

How do you travel to

school?

Human features seen on a

walk

Physical features seen on

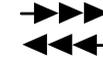

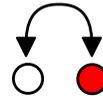

a walk

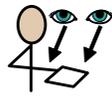

How different people were

travelling?

Design a shoe which encourages active travel and road safety

A map to show my journey to school

How

did you

come to

school?

walk,

bike,

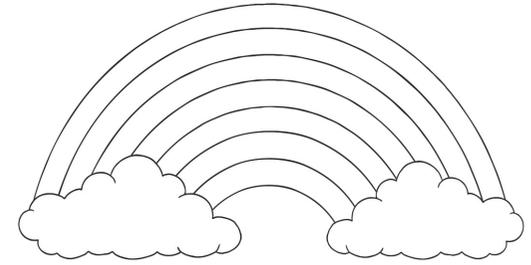

scooter,

car,

bus
