

Kelvin Grove Year 3 Home Learning – Spring 1

This term you have a choice of 6 different activities. Please choose one – but more is great! If you choose to take photos or a video of your learning, you can ask an adult at home to send these to your teacher via: admin@kelvingrove.lewisham.sch.uk. Put your teacher's name on the subject line and they should receive it.

<p>How many different sources of light can you find in your home? Are they natural or artificial (human-made) light?</p> 	<p>Design a poster which shows children how to stay safe in the sun.</p> 	<p>Can you find objects in your house that reflect light? Make a list. Which type of surface reflects light the best?</p> 
<p>Using a torch (or perhaps your adult's phone torch!), shine a light on an interesting object. How does the shadow change when you move the torch?</p> 	<p>Can you write a poem about light/ dark/ shadow? You could write a rhyming poem (light, bright, night, sight etc). Or an Acrostic poem, when every line starts with a different letter of a word? For example: Loving light Is what we need G H T</p>	<p>Design and make a shadow puppet.</p> 

Due date: WB Monday 9th February
