Kelvin Grove Year 3 Home Learning – Autumn 2

This term you have a choice of 3 different activities. You may choose to do one, or you might decide to do all of them, the choice is yours. If you choose to take photos or a video of your learning, you can ask an adult at home to send these to your teacher via: year3@kelvingrove.lewisham.sch.uk. Put your teacher's name on the subject line and they should receive it.

Learning Objective	Activity
1. Make a Stone Age tool using materials you have at home	Using items that you can find at home, make a replica of a Stone Age tool For example, it could be a hand axe, a spear or an arrow 
2. Research and describe animals that came from Prehistoric Britain	Create a fact file about your favourite Prehistoric animal. Remember to include fascinating facts about its diet, appearance and habitat! You could design a poster, booklet, a video etc 
3. Design and make some Bronze/Iron Age jewellery	Using items that you find at home, design your own Bronze/Iron Age jewellery. 
4. Create your own cave painting	Early humans may have used art as a way of helping themselves in their struggle for survival. Paintings of animals on cave walls were common. Can you make your own cave paintings? Watch the video below to help you with your art work. https://www.youtube.com/watch?v=h1CGXy_h-iI
Due date	**Week beginning Monday 7th December 2025**

Remember to complete your weekly home learning on **Mathletics** and read for **15 minutes every day**. Remember to record each time you read in your Reading Journal.
